

An abstract painting on a textured, brownish-grey background. The composition is dominated by vertical, expressive brushstrokes in shades of brown, tan, and ochre. In the lower right quadrant, a small, dark, sketchy figure of a person stands, looking towards the left. Below the figure, a series of concentric, swirling lines in white and yellow suggest ripples in water or a reflection. The overall style is gestural and textured, with visible brushwork and some small white and yellow circular accents scattered throughout.
